

# I like it FRANTIC!

## About Holly Zegalia & I Like It Frantic

I have been happily married to my husband since 2002 and we have two beautiful children together, a 10 year old son, Charlie (BUG) and an 8 year old daughter, Rachael (BG.) I was born and raised in Maryland where I still reside. I love spending my time with my family. I'm rather shy until I get to know you but actually love to meet new people. We have recently taken up dancing and singing around our living room. No worries! I won't be sharing any videos of that. Too Scary. On top of raising two kids, being a loving wife and working full time, I can often be found studying for school, blogging, knitting or helping friends.

I Like It Frantic started as a baby journal and has progressed in ways I never thought possible over the past 10 years. We cannot wait to help grow your brand
